Shri H. R. Dua, for the management.

AWARD

By order No. ID/FD/85-78/43147, dated 27th September, 1978, the Governor of Haryana referred the following dispute between the management of M/s Anil Rubber Mills, Sector 6, Faridabad and its workman Shri Ram Raj, to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 :—

Whether the termination of services of Shri Ram Raj was justified and in order ? If not, to what relief is he entitled ?

On receipt of the order of reference, notices were issued to the parties. The parties appeared and filed their pleadings. On the pleadings of the parties following issues were framed on 9th February, 1979 :—

(1) Whether the domestic enquiry is proper and fair ?

(2) Whether the termination of services of the workman was justified and in order ?

(3) If not, to what relief is he entitled ?

And the case was fixed for the evidence of the management,

Issue No. 1 was tried as preliminary and the same was decided in favour of the management,—vide order, dated 8th April, 1980. Then the case was fixed for the evidence of the management on the remaining issues. The management examined Shri Anil Khanna, partner, as M.W. 2 and the workman as his own witness as W.W. 1. The parties closed their case. Arguments were heard. Now I give my finding issueswise :—

Issue No. 2.—M.W. 2 stated that after considering the findings of enquiry on the charge-sheet, the management decided to terminate the services of the workman. In cross-examination he stated that the charge-sheet and finding of enquiry were the basis of termination order. He could not tell if a

report was lodged with the police for theft. W.W. 1 stated that enquiry was conducted against him but he was not given any show-cause notice or dismissal order. Punishment given to him is very excessive. In cross-examination he denied receipt of Ex. M.M. final show-cause notice. He also denied that he refused to receive Ex. M.M. final show-cause notice. The representative for the management argued that the charges against the workmen were of theft and after considering the finding of the enquiry his services were terminated. On the other hand the representative for the workman argued that the punishment was excessive. I do not find any merit in the contention of the representative of the workman because the charges were serious in nature. Therefore, order of dismissal is justified. I decide this issue in favour of the management.

Issue No. 3.—The workman is not entitled to any relief.

While answering the reference, I give my award that the termination of services of the workman was justified and in order. The workman is not entitled to any relief. I order accordingly.

Dated the 22nd October, 1980.

Presiding Officer,
Industrial Tribunal, Haryana, Faridabad.

By order No. ID/HSR/2-B-78/33871, dated 19th July, 1978, the Governor of Haryana referred the following disputes between the management of M/s Haryana Textile, Bhiwani and its workmen, to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 :—

1. Whether the grades of workmen of all the categories should be framed ? If so, with what details ?
2. Whether the workers are entitled for increase and dearness allowance ? If so, with what details ?
3. Whether the workmen are entitled to housing accommodation or an allowance in lieu thereof ? If so, with what details ?
4. Whether the workmen are entitled to cycle allowance ? If so, with what details ?
5. Whether the rates of the wages of contract labours should be increased ? If so, with what details ?

On receipt of the order of reference, notices were issued to the parties. The parties appeared and filed their pleadings. On the pleadings of the parties, issues were framed on 28th November, 1979 and the case was fixed for the evidence of the workmen. The parties did not adduce their evidence

on one pretext or the other. But on the last date of hearing the representative for the workmen stated that the factory has been closed and all the workmen had settled their accounts with the management and are not interested in pursuing the said reference.

In view of the statement given the representative for the workmen, I give my award that the workmen have settled their accounts with the management and there is no dispute now pending for adjudication between the parties.

Shri R. C. Sharma, for the management.

AWARD

By order No. FD/58-79/41050, dated 18th September, 1979, the Governor of Haryana referred the following dispute between the management of Shri Jagdish Rai, Contractor, c/o M/s Northern Steel Company, Mathura Road, Faridabad and its workman Shri Arjun Singh, to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 :—

Whether the termination of service of Shri Arjun Singh was justified and in order ? If not, to what relief is he entitled ?

On receipt of the order of reference, notices were issued to the parties. The parties appeared and filed their pleadings. On the pleadings of the parties, issues were framed on 3rd December, 1979 and the case was fixed for the evidence of the workman. He was given four opportunities to produce his evidence but he did not produce any. Therefore, his case was closed. On the next date of hearing the representative for the workman withdrew from the proceedings pleading no instructions. Therefore, the case was fixed for *ex parte* evidence of the management who examined their Personnel Officer as MW-1 and closed their case. *Ex parte* arguments were heard. I now give my finding issueswise :—

Issue No. 1.—MW-1 stated that the workman was a contractor with the management from 1st January, 1979. Ex. M-1 contains terms of contract and describe Shri Arjun Singh as a Contractor. MW-2 his certificate of registration of Government of Haryana in which Shri Arjun Singh's name appears in the column of Contractor. He also produced Ex. M-4 to M-10 bills submitted for payment to respondent. Payment vouchers Ex. M-3, M-11 to M-16 were also produced by him.

I have gone through various documents and find that Shri Arjun Singh was a contractor. There is no reason to disbelieve the solitary statement of the management witness. Therefore, I hold that the workman was not an employee of the management and he was a contractor. This issue is decided accordingly.

Issue No. 2—In view of the above there is no need to give finding on issue No. 2.

While answering the reference, I give my award that the workman Shri Jagdish Rai was not an employee of the management and he was a Contractor. The workman is not entitled to any relief.

Mukand Industrial Fasteners, Modern Industrial, Estate, Bahadurgarh and its workmen to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 :—

Whether the termination of services of Sarvshri Mohan Lal and Phool Singh was justified and in order? If not, to what relief are they entitled ?

On receipt of the order of reference, notices were issued to the parties. The representative for the management appeared but the workmen did not appear. On the last date of hearing the representative for the management stated that a settlement has been arrived at between the parties and the workmen have taken their full and final accounts. Receipt is Exhibit M-1 and resignation of the workmen are Exhibit M-2 and M-3.
